RESOLUTION ENABLING THE CREATION OF AN ECONOMIC DEVELOPMENT AUTHORITY IN THE CITY OF ST. PAUL PARK, MINNESOTA

CITY OF ST. PAUL PARK, WASHINGTON COUNTY, MINNESOTA

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ST. PAUL PARK, MINNESOTA (CITY) AS follows:

Section 1. Background and Findings.

1.01. The City is authorized by Minnesota Statutes, Chapter 469 (the Act) and specifically Section 469.091, to establish an Economic Development Authority (EDA) to coordinate and administer economic development and redevelopment plans and programs of the City of St. Paul Park.

1.02. It is found and determined by the City Council that the encouragement and financial support of economic development and redevelopment in the City is vital to the orderly development and financing of the City and in the best interests of the health, safety, prosperity and general welfare of the citizens of the City.

1.03. It is further found and determined that the economic development and redevelopment of the City can best be accomplished by the establishment of an EDA as authorized by the Act.

1.04. The City Council has in accordance with the Act and Section 469.093 provided public notice and conducted a public hearing on August 18, 2009, concerning the establishing of an Economic Development Authority at which hearing all persons desiring to express their views were heard.

Section 2. Enabling Resolution.

2.01. The Economic Development Authority of the City of St. Paul Park, Minnesota (EDA) is hereby established. The EDA is a public body corporate and politic and a political subdivision of the State of Minnesota.

2.02. The EDA shall have all the powers contained in Minnesota Statutes sections 469.090 to 469.108, and the powers of a housing and redevelopment authority under sections 469.001 to 469.047 and of a city under sections 469.124 to 469.134, as such laws may be amended from time to time, except as limited by this Resolution.
2.03. The EDA shall consist of a governing body of five commissioners. The five commissioners shall be members of the City Council (Mayor and four Councilmembers). Commissioners terms shall be commensurate with the term of office for the Mayor and each Councilmember.

Section 3. Limits of Powers.

3.01. The following limits shall apply to the Economic Development Authority of the City of St. Paul Park and its operation:

(a) The sale of all bonds or other obligations issued by the EDA must be first approved by the City Council.

(b) The EDA must follow the budget process for City Departments in accordance with the City policies, resolutions and ordinances.

(c) Development and redevelopment plans of the EDA must be consistent with the City Comprehensive Plan and official controls implementing the Comprehensive Plan.

(d) The EDA must obtain approval of its proposed plans for development and redevelopment from the City Council.

3.02. This Enabling Resolution may be modified to make any changes as authorized by the Act.

3.03. As provided in the Act it is the intention of the City Council that nothing in this Resolution nor any activities of the EDA shall be construed to impair the obligations of the City under any of its contracts or to affect in any detrimental manner the rights and privileges of a holder of a bond or other obligation heretofore issued by the City. The City Council shall not modify any limit in effect at the time any bonds or obligations are issued or contracts executed to the detriment of the holder of the bonds or obligations or any contracting party.

Section 4. Officers, Organization

4.02 The EDA officers shall:

Section 5. Audit

5.01 The financial statements of the EDA must be prepared, audited, filed, and published or posted in the manner required for the financial statements of the City.

5.02 The report must be filed with the state auditor by June 30th of each year.

Section 6. General Obligation Bonds

6.01 The EDA may issue general obligation bonds in the principal amount authorized by two-thirds majority vote of the City Council.

(a) The bonds may be issued in anticipation of income from any source and used to secure funds needed to pay for acquired property or for other purposes in sections 469.090 to 469.108.

(b) The bonds must be in the amount and form and bear interest at the rate set by the City Council.

(c) The first installment shall be due in not more than 3 years and the last in not more than 30 years from the date of issuance.
