BARBECUE PITS

Construction: Barbecue pits in outdoor locations shall be constructed of concrete or approved non-combustible materials.

Location: Barbecue pits outside of buildings shall not be located within 10 feet of combustible walls or roofs or other combustible material.

RECREATIONAL FIRES

Size: No larger than 3 feet in diameter by 3 feet high.

Location: Recreational fires shall not be conducted within 25 feet of a structure or combustible material unless contained in a barbecue pit. Conditions which could cause a fire to spread within 25 feet of a structure shall be eliminated prior to ignition.

Fire-extinguishing equipment: Buckets, shovels, garden hoses or a fire extinguisher with a minimum rating of 4-A shall be readily available for use at a recreational fire.

Attendance: Recreational fires shall be attended by a person knowledgeable in the use of fire-extinguishing equipment required by Section 1102.4.3 of the U.F.C. An attendant shall supervise a recreational fire until such fire has been extinguished.

Discontinuance: The Chief is authorized to require that recreational fires be immediately discontinued if such fires are determined by the Chief to constitute a hazardous condition.

Only unpainted and untreated wood, coal, or charcoal may be burned. The burning of leaves or grass clippings is not permitted.
